Smart Choice[®] System Plus[®] Ltd. Warranty Improvement

Now With Longer Upfront Coverage – And Superior Wind Protection!

| <i>Product...changes at right in bold</i> | <i>Material Defect Coverage Years - 100% (Non-Prorated)</i> | <i>Wind Coverage Miles Per Hour (MPH)</i> | |
|--|---|---|--|
| | <i>Now</i> | <i>Standard- Without Special Installation</i> | <i>Maximum- With Special Installation*</i> |
| Royal Sovereign [®] | 20 | 60 | N/A |
| Marquis [®] WeatherMax [®] | 20 | 80 | N/A |
| Timberline [®] Natural Shadow [™] (see note 1 below) | 20 | 70 | 100 |
| Timberline [®] Prestique [®] 30 HD [®] | 20 | 80 | 110 |
| All GAF-Elk shingles with a 40 year Ltd. Warranty (see note 2 below) | 20 | 80 | 110 |
| All GAF-Elk shingles with a Lifetime Ltd. Warranty (see note 3 below) | 50 | 80-110 | 130 |

100% Material Defect Coverage for all non-Lifetime products installed on non-single family detached residences is increased from 15 to 20 years.

100% Material Defect Coverage for Lifetime Series – is 50 years on single family detached residences, for all other structures, non-prorated period is 20 years.

Special installation requires 6 nails per shingle and use of certain GAF-Elk Starter Strip Shingles (those with factory-applied adhesive) on the rakes and eaves. The use of GAF-Elk ridge cap shingles is highly recommended.

See limited warranty for full coverage and restrictions. Sentinel Shingles are not eligible.

Notes:

- (1) All legacy GAF and legacy Elk shingle products with a 30 year ltd. warranty will qualify for the same coverage and limitations as Timberline[®] Natural Shadow[™] shingles.
- (2) All legacy GAF and legacy Elk shingle products with a 40 year ltd. warranty will qualify for the same coverage.
- (3) All legacy GAF and legacy Elk shingle products with a Lifetime ltd. warranty will qualify for the same coverage.

When: Shingles installed after April 1, 2008 will automatically receive the upgraded warranty coverage.
