## Smart Choice<sup>®</sup> Ltd. Shingle Warranty Improvement

*Now With Enhanced Wind Coverage!*

<i>Product...improvements are in bold</i>	<i>Wind Warranty Coverage (Years)</i>	<i>Wind Coverage Miles Per Hour</i>	
	<i>Now</i>	<i>Standard-Without Special Installation</i>	<i>Maximum-With Special Installation</i>
Timberline <sup>®</sup> Natural Shadow <sup>™</sup> (see note 1 below)	5	70	<b>100</b>
Timberline <sup>®</sup> Prestique <sup>®</sup> 30 HD <sup>®</sup>	5	80	<b>110</b>
All GAF-Elk shingles with a 40 year ltd. warranty (see note 2 below)	5	80	<b>110</b>
All GAF-Elk shingles with a Lifetime ltd. warranty (see note 3 below)	<b>10</b>	80-110	<b>130</b>

Special installation requires 6 nails per shingle and use of certain GAF-Elk Starter Strip Shingles (those with factory-applied adhesive) on the rakes and eaves. The use of GAF-Elk ridge cap shingles is highly recommended. See limited warranty for full coverage and restrictions.

Notes:

- (1) All legacy GAF and legacy Elk shingle products with a 30 year ltd. warranty will qualify for the same coverage and limitations as Timberline<sup>®</sup> Natural Shadow<sup>™</sup> shingles.
- (2) All legacy GAF and legacy Elk shingle products with a 40 year ltd. warranty will qualify for the same coverage.
- (3) All legacy GAF and legacy Elk shingle products with a Lifetime ltd. warranty will qualify for the same coverage.

**When: Shingles installed after April 1, 2008 will automatically receive the upgraded warranty coverage.**

Questions: Call the Warranty Registration Team at 1-888-532-5767, option 1.
